Company
OpenWeather is a team of IT experts and data scientists that has been practising deep weather data science since 2014. For each point on the globe, OpenWeather provides historical, current and forecasted weather

The screenshot shows the 'Create New Account' form. The user has entered 'trener_alicia' in the username field and a password in the password field. A callout box on the right says 'Uzupełniamy: nazwa użytkownika, e-mail (do którego mamy dostęp, ponieważ otrzymamy link aktywacyjny) i hasło' (We fill in: username, email (to which we have access, because we will receive an activation link) and password).

Below the fields, there are two checkboxes: 'I am 16 years old and over' and 'I agree with Privacy Policy, Terms and conditions of sale and Websites terms and conditions of use'. Both are highlighted with a red box and a red arrow pointing to them from the text 'Odznaczamy jedynie konieczne pola *16 lat jest wymagane ze względu na RODO (nazwa użytkownika) – strona nie zawiera żadnych nieprawidłowych treści' (We check only the required fields *16 years is required due to RODO (username) – the page does not contain any incorrect contents).

I consent to receive communications from OpenWeather Group of Companies and their partners:

System news (API usage alert, system update, temporary system shutdown, etc)

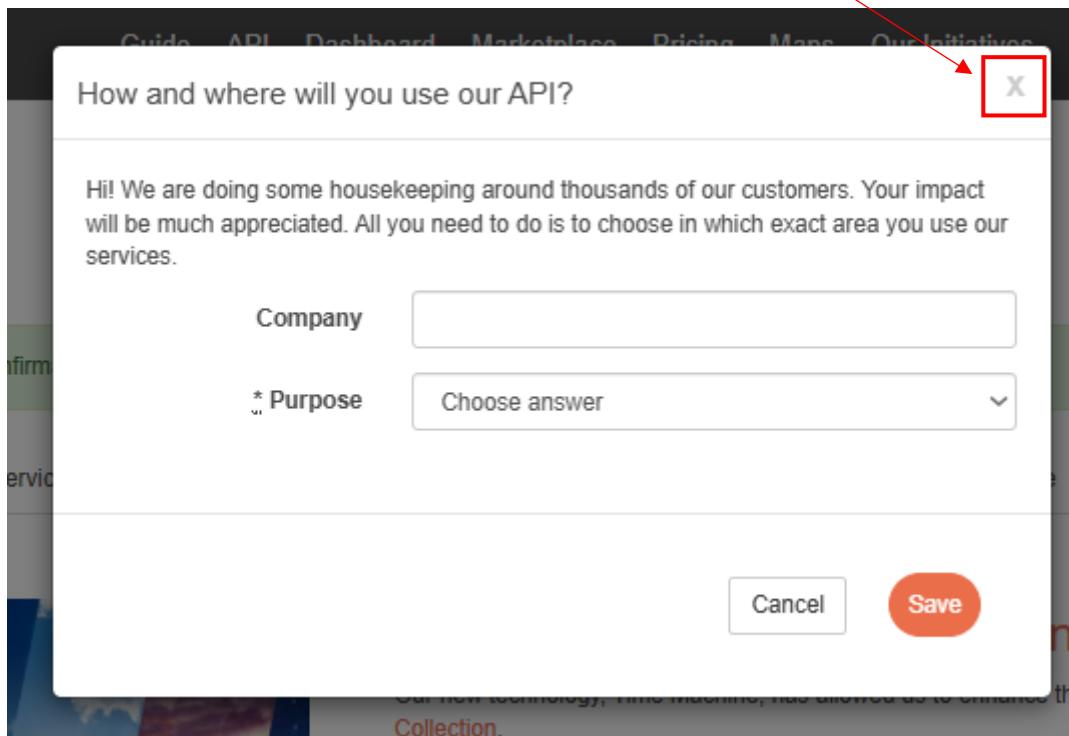

Product news (change to price, new product features, etc)

Corporate news (our life, the launch of a new service, etc)

A reCAPTCHA field is present with the text 'I'm not a robot' and a checkbox 'reCAPTCHA is changing its Terms of Service.' Below it is a 'Create Account' button.

A callout box at the bottom left says 'Klikamy "Załącz konto"' (We click 'Create account').

Nie trzeba tego uzupełniać – po prostu pomijamy
